ROBERT CLARK
Superintendent

Someone once asked a famous athlete what it took to be a world's record holder.

"Just what it takes for success in anything else," he replied. "You have to have good training, a lot of hard practice, and a genuine desire to be the best."

It is my Hope that the high school days as reflected in the pages of this annual may have helped provide the student body with the named components for successful living.

THE WORLD OF YOUTH

World is an interesting word. What does it mean to you, to me, to people near and far away? Is the meaning definite and constant? Did it mean the same to Columbus, John Glenn, Albert Schweitzer, John F. Kennedy? Does it mean the same to you today as it did when you started to school? Do you consider world and earth synonymous? Do men's thoughts, actions, failures, and successes affect the world? What is the relationship between science and the world? God and the world? Youth, what is your world?

CLASSES

John Cleghorn always makes it a point to pay attention in English Class.

Americans Learning English

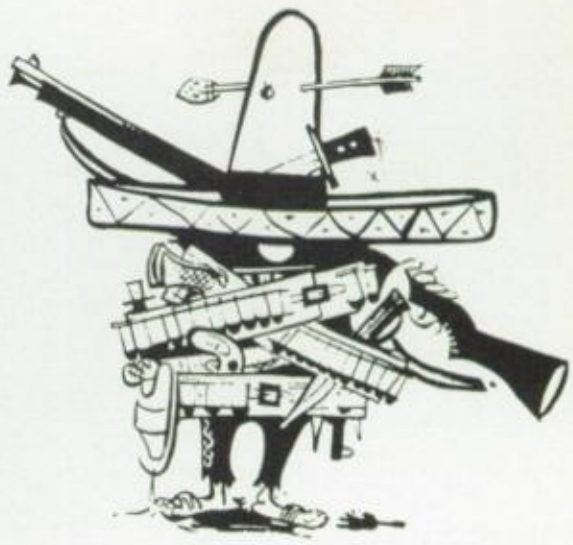
Our famous speakers: Janet, John, Susan, Tracy

Mr. Terry Jackson and his sophomore English class

Our Department of English is well equipped with courses of grammar and literature. A study of oral and written composition, plays, short stories, spelling, essays, poetry, and novels is provided in grades 7 thru 12.

In conclusion, this department, feeling that English is very important to our society in understanding people and problems of our progressing nations, strives to better our students.

"GEE, I CAN'T READ IT!"



Our Foreign-Speaking Groups

Kathy Wood is obviously a hard worker.

As our countries come together, the use of foreign languages is more important.

The Latin classes study the classical world of the Romans and establish a basis for further study in the arts and sciences.

The most successful method of learning Spanish is by listening to Spanish sentences on tapes and records and learning to speak the language by hearing it over and over.

"I CAME, I SAW, I DID WHAT?!"

Patty Davis is entirely interested in the current project.

Steve Stone seems to be trying to get that old bicycle of his to work in physics class.

"COME ON, BELL, RING . . ."

Scientific Frontiers of Our Changing World

Students are led thru Chemistry by Mr. Robert Ackenhusen, and Physics students are instructed through Mr. Stanley Conner.

Most college-bound students take either Chemistry or Physics, or both in preparation for their later education.

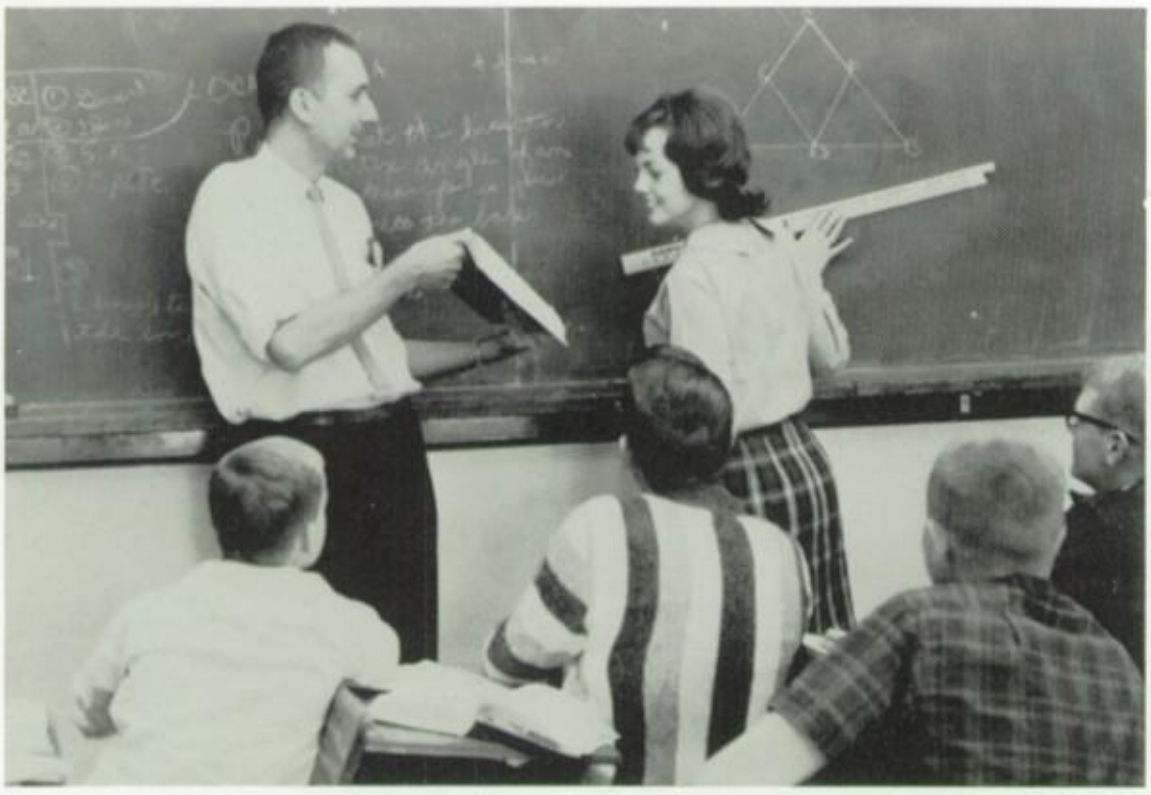
"AH! MY MAGIC LOVE POTION!"

" . . . AND THIS IS WHY IT SMELLS SO SWEET."

The Advanced Biology class is one of extreme organization.

Biology, the Life Process

This year, Mrs. Hawley is in charge of both the Advanced Biology and Biology classes. She teaches all incoming Freshmen the fundamentals of basic Biology, and teaches the finer points of physical science to those in grades 10-12 who select to take Advanced Biology.



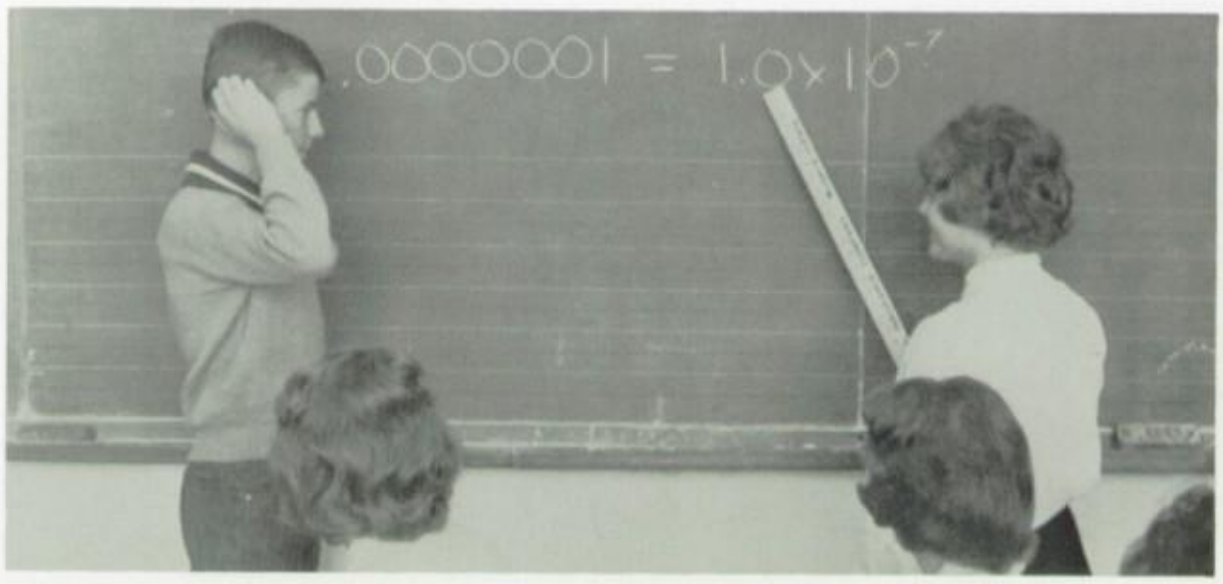
According to Nancy Williams, Plane Geometry isn't always so plain.

Math + Nichols = Sense

"I GET A BLAST OUT OF ADVANCED ALGEBRA!" SAYS ROGER COWAN.

Mr. Robert Nichols is the head of our Math Department, with Mr. Stanley Conner, Mr. Robert Ackenhusen, and Mr. Florance Lester working with him.

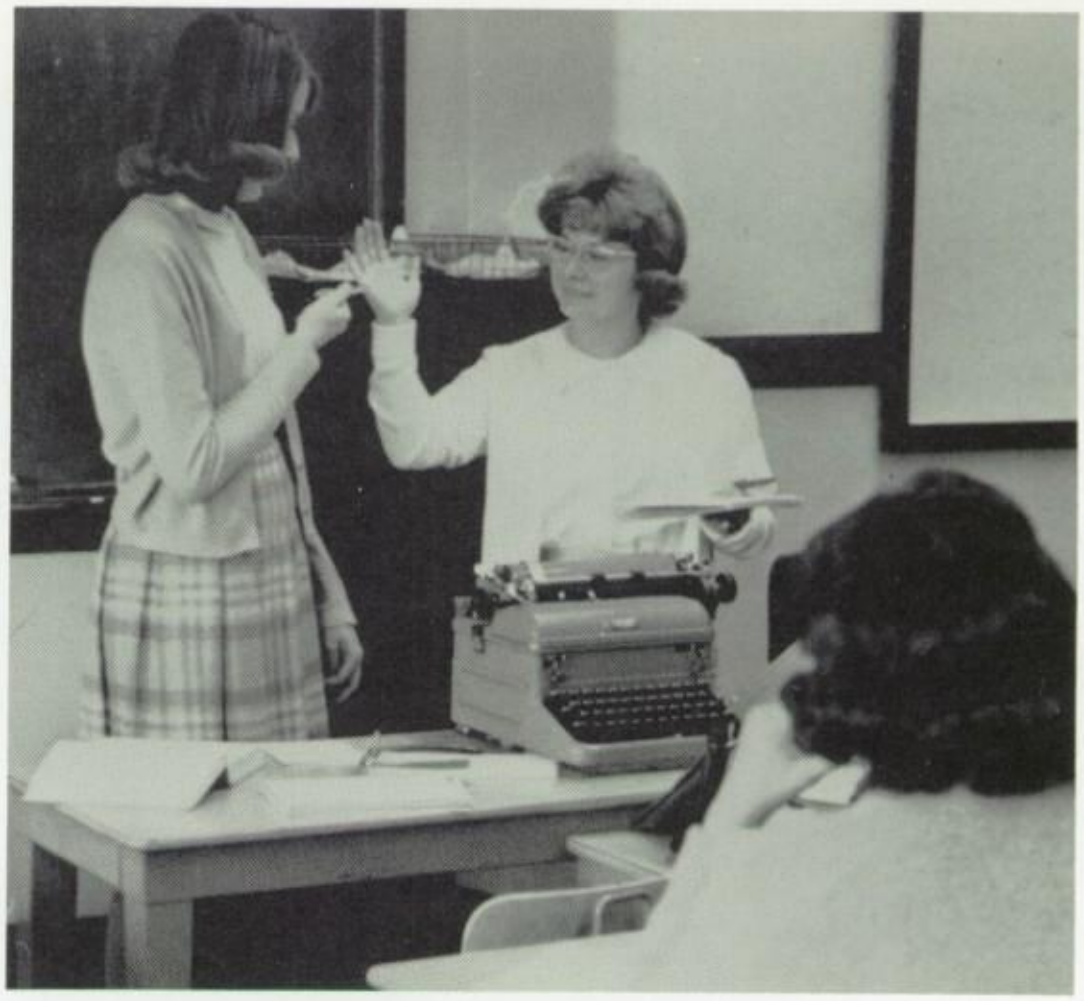
The courses offered are: General Math, Algebra, Advanced Algebra, Plane Geometry, and Senior Math.



"I SENSE AN ELEMENT OF DOUBT," SAYS PATSY CHARLTON.

The Business Courses offered at Hagerstown High School are General Business, typing, bookkeeping, shorthand, and office machine practice.

Business training is practical for every student who plans to enter college and for those that plan for other education.



Mary Gail Humphrey points out to Karen Gray just what shorthand really is.

Business Prepares Students for the Mean, Cruel World

Steve Harrison always arrives in typing class bright-eyed and bushy-tailed.

"AND I SAY, FELLOW AMERICANS, VOTE FOR SENATOR . . ."

Social History of Man

"I LIKE JOHNSON . . ."
"WELL, WHAT'S THE MATTER WITH GOLDWATER!"

Hagerstown High School requires that all Seniors take U. S. Government, a study of the structure of our Federal, State, and local government.

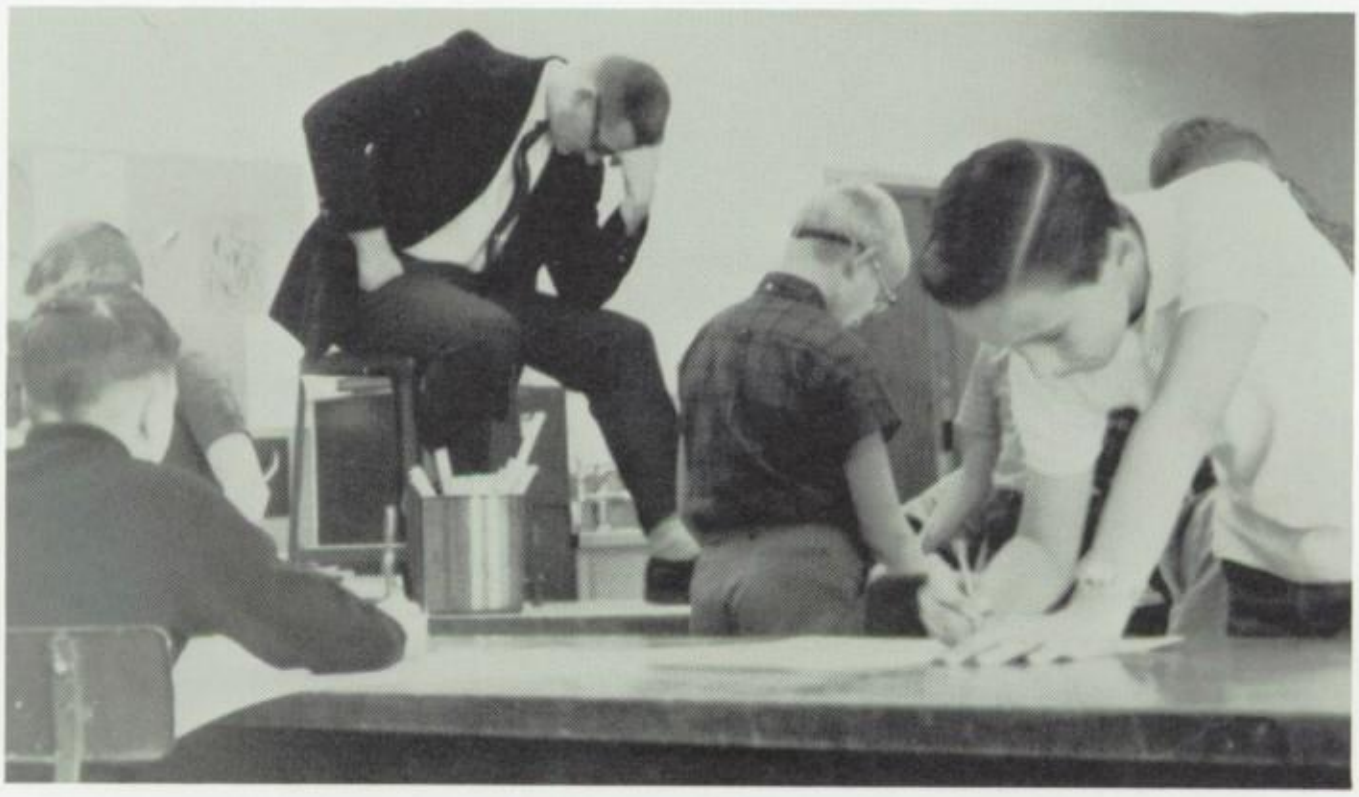
The Juniors are required to take U. S. History, a history of America from its founding to its present state.

Sophomores have an option to take World History.

Another exciting day in Economics . . .

"I REFUSE TO ANSWER ON THE GROUNDS OF THE 5th AMENDMENT!" DECLARES JOHN McCORMACK.

Seniors in the midst of creating.



"MOTHER SAID THERE'D BE DAYS LIKE THIS . . ."

Artists of the 21st Century

Mr. Thomas Jackson is the head of the Art Department.

His classes consist of Junior High and High School Art.

The study of Art not only includes drawing, but the study of the basic elements of good design.

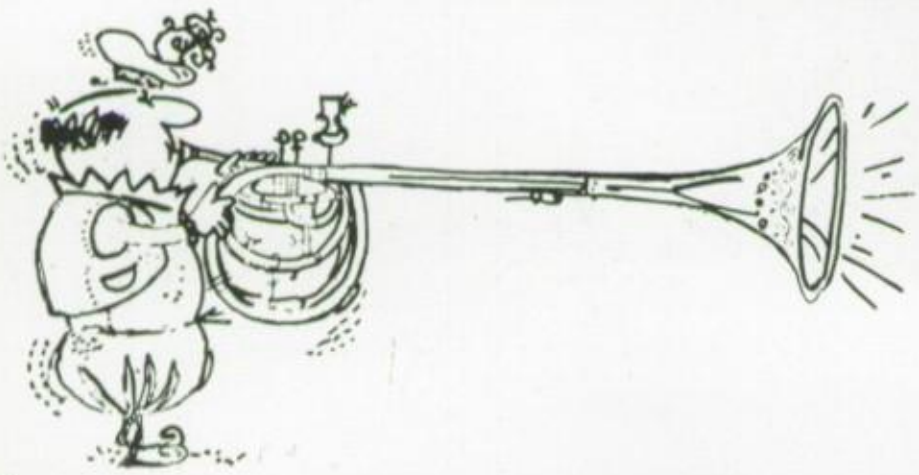
The Art Department is soon to be remodeled.

Kathy Wall finds a new use for shoe polish.

"SHE LOVES YOU, YEAH, YEAH, YEAH!"

Concert Choir

The Three Musketeers.

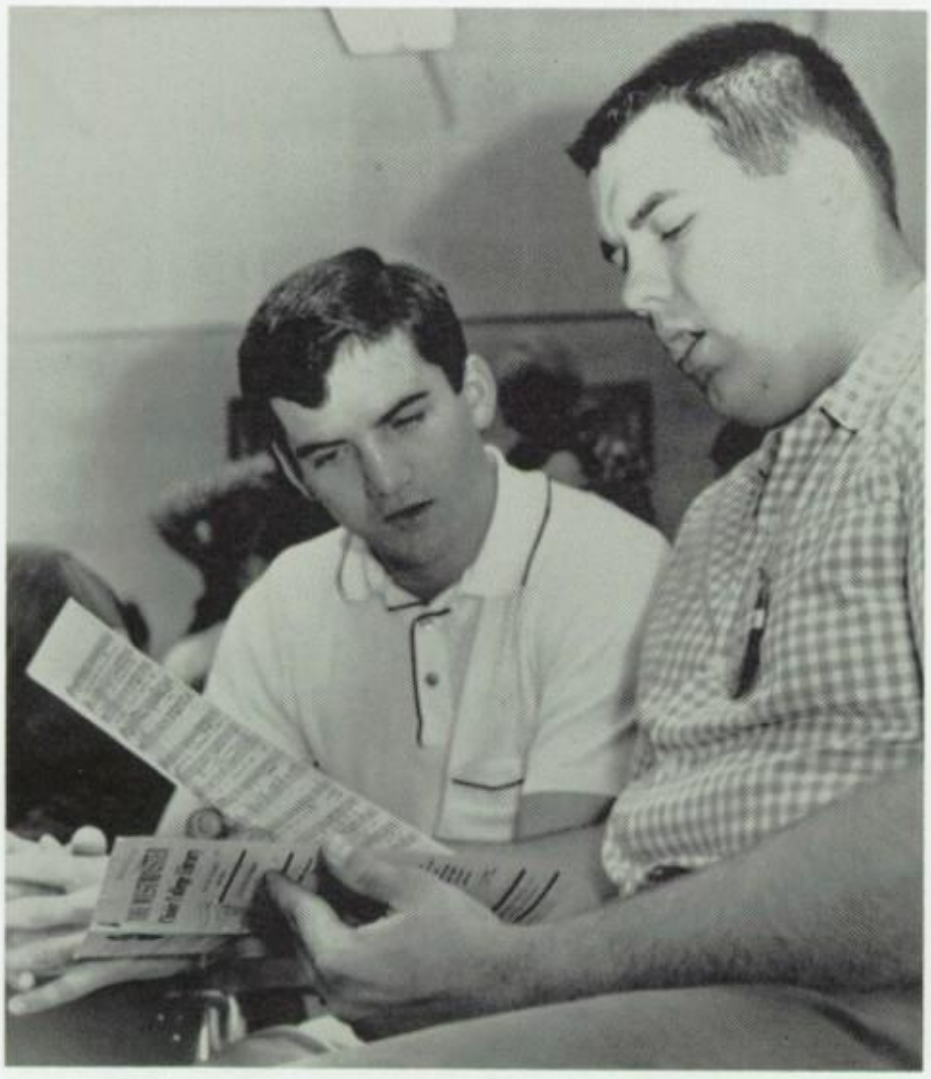


"LET'S SEE, IS IT THE BLACK KEYS OR THE WHITE KEYS THAT I PLAY THIS TIME?"

This year our choir numbers 100 voices, the largest it has been in several years.

The choir appears in various Christmas programs, in the high school concerts, in the Spring musical, and at graduation ceremonies.

Each Spring, the Hagerstown Choir, and the choirs from surrounding communities meet and present a choral festival for the public.



Huey's high and Lowe's low.

Mr. Lish's Legions—The Cadet Band

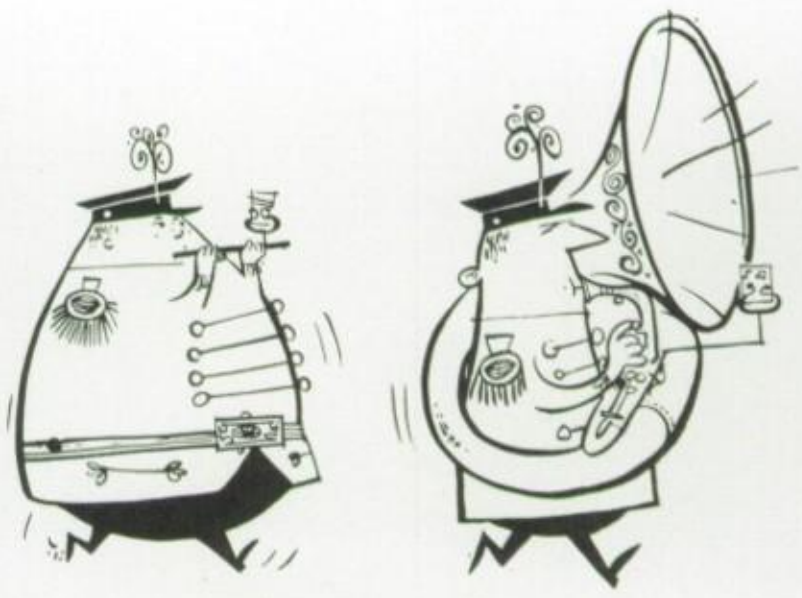
Big Mark

Band is a very active organization throughout the school year. Some of the activities include: Pep Band, Marching Twelve, Dance Band, and the formal Band. The Pep Band plays at pep sessions, basketball games, and the formal band participates in the concerts, football games, and at graduation.

The formal band is under the direction of Mr. Donald Hoon. Mr. Alan Lish directs the Cadet band.

"There's nothing the matter with me—I always direct my records . . ."

Scott and Carlson devote much concentration to their music, as anyone can see . . . .



The Majorettes Four

The Hagerstown High School Marching Band

Hurst and Belt survey the campus.

Get it smooth.

"BOY, DO I LIKE TO WATCH THE SPARKS FLY!"

The Industrial Arts

The Industrial Art courses offered at H.H.S. are: wood shop, machine shop, blueprint reading, and mechanical drawing.

Under these programs boys can learn how to use such manual tools as lathes, saws, and planes.

Students acquiring proficiency in the use of hand tools.

Davis and Riggs get all steamed up . . . .

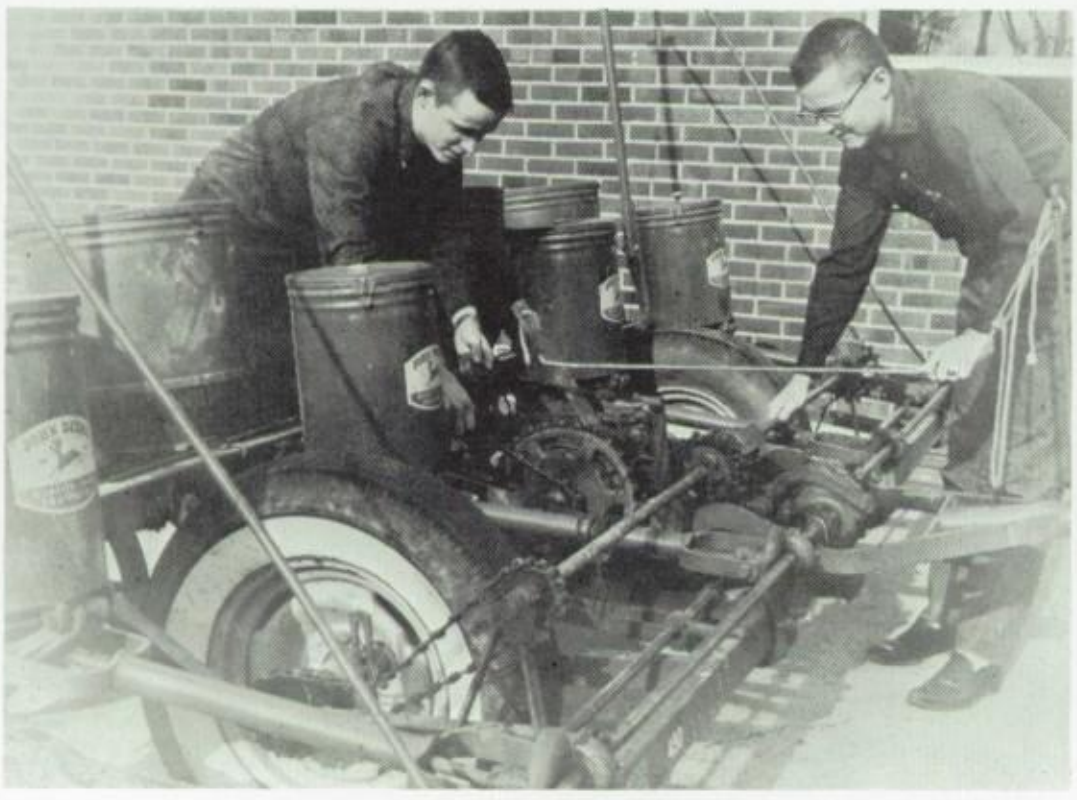
Prospective Farmers

Vocational Agriculture at Hagerstown High School has expanded its program to better prepare its students for business in agricultural fields.

Agricultural courses of the Hagerstown department form an excellent basis for students who plan to continue their education in farm operation and management.

The recently completed livestock research structure expands our program further.

Bell runs a soil test.



Let her rip!!

Housewives Anonymous

One of the classrooms in our Home Ec Department.

Our home economic department strives to better our housewives of tomorrow. The courses apply to foods, housing, household equipment, clothing, family relationships, family economics, child development, home management, house furnishings, and other important aspects of living.

Home Economics is offered as Home Economics I, II, III, and IV. If a girl so desires, she may take six years of this training.

What's the animal on her wrist?

"Who says I can't thread this needle?"

"I, . . . er, that is, I think you'd better sort of, . . . well, start over . . ."

Our Driving Course

The Physically Educated

Sponsor Mrs. Devine, Student Representatives Rowena Miller and Ted Montgomery, Secretary Becky Bane, President Rex Jarrett, Vice-President Janet Bond.

Each spring at a special induction ceremony of the National Honor Society, several junior and senior students are honored for outstanding scholarship, leadership, character, and service. Due to new regulations, the membership of the Hagerstown chapter has increased this year, over past years, enabling it to be more active as an organization.

Council Plans Activities for the Students

The Student Council is composed of two elected representatives from each class. Together with the sponsor Mr. Ruble, the members strive to gain a better understanding in student-faculty relationships. Sponsoring intramural basketball and volleyball games and deciding the theme and judging aspects of the floats for homecoming are among its many projects.

Becky Bane, President, discusses with Mr. Ruble, sponsor, the advantages of selling sweatshirts for a money-making project.

Hi-Y Members Contribute Much

Hagerstown Hi-Y members, living by their motto of clean speech, clean sports, clean scholarship and clean living, contribute much by way of genuine service to the school. The boys operate a hat-and-coat check at the games, sell ice cream, and sponsor other worthwhile money-making projects. The club's chaplain presents devotions on the public address system each Monday morning. These devotions give each student something very meaningful to think about during the week.

The Hi-Y officers stand by one of their many finished projects. They are, from the top of the ladder down and then right: Dave Davis, President, Rex Jarrett, Vice President, Bruce Giggy, Sergeant-at-arms, Lee Murray, Treasurer, Bruce Montgomery, Chaplain, and Daryl Teagarden, Secretary.

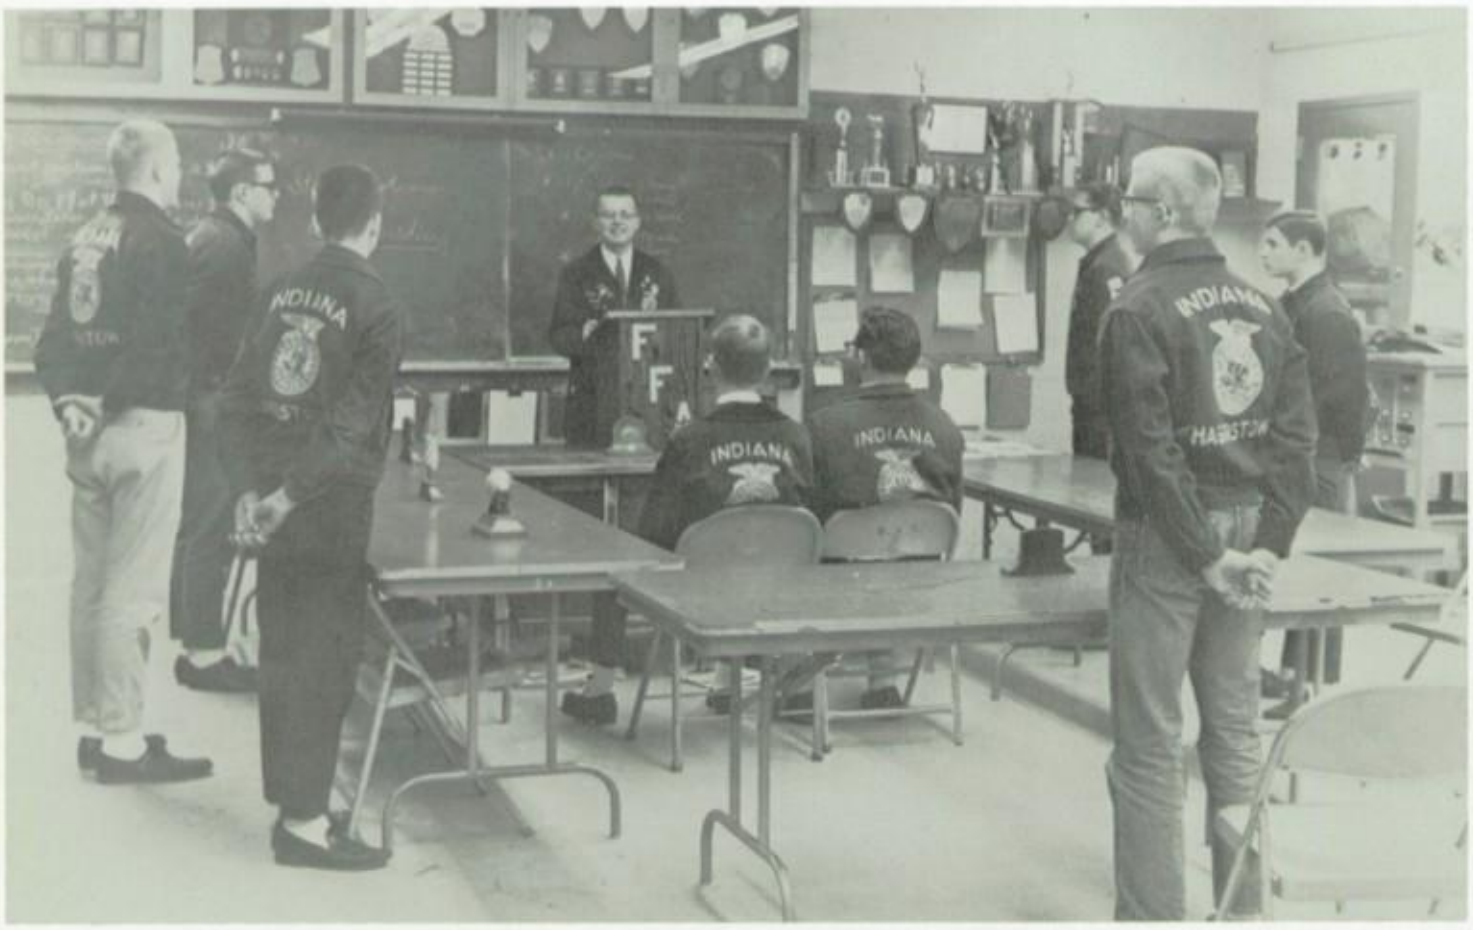
The Y-Teens assemble in the gym for their regular meeting.

Y-Teens Work to Serve Others

The Y-Teen organization, which is one of the school's largest and most active service clubs, has members in each of the high school classes. With the sponsor Mrs. Smith, the girls plan the annual Thanksgiving program at school and later decorate the halls for Christmas. This year the club sponsored a Christmas Ball, which was very successful. As is traditional, the girls have a Desserts for Dads in February and a Mother and Daughter Banquet in April, on which nights the parents are honored. Along with many others, these projects show that Y-Teens are a very important part of the school.

Class representative Sheryl Wilson, Sponsor Mrs. Smith, and President Rowena Miller make plans for the Y-Teen dance.

F.F.A. Presents Challenge



The Parliamentary team in action—Presiding officer—Max Smith; Seated: Steve Davis, Lynn Hilbert; Standing: Mark Mendenhall, Mike Doerstler, Don Baker, Dan Howell, Gerald Lewis, Dion Ammerman.

The school chapter has been very outstanding for the past four years under the guidance of Mr. Hylton. This year the chapter was the state winner of the Cooperative Contest and advanced to become Regional winner in the National Cooperative Contest. The chapter has won the National Chapter Gold Emblem Award for the third consecutive year. Five members attended the National F.F.A. Convention at Kansas City, Missouri, to receive the Gold Emblem Award. The Dairy Judging and Land Judging teams both placed well in the State Finals. The many awards earned by the chapter in the last four years show the result of fine leadership and cooperation.

F.H.A. Prepares Homemakers

The Future Homemakers of America is an organization dedicated to building better homes for Americans in the future. Attending the Home Show in Indianapolis each year is one of the many items on the club's activity agenda. Under the sponsorship of Miss Veach, the group is making progress toward its goal.

Art Club Provides Inspiration

"Mr. Jackson and his great ideas!

The H.H.S. Art Club has often been credited with many creative ideas and activities. This year the club sponsored a dance called the "Liverpool Hoolie" which was a big success. The Art Club, with a membership of approximately sixty, placed third in the annual homecoming float contest with a unique float. The students, with the help of sponsor Mr. Jackson, have been able to show their interests in art by participating in the many activities throughout the years.

Jr. Red Cross Brings Joy to Many

The Junior Red Cross, with Mrs. Hagen as sponsor, has been helpful in various ways. This organization which adopted a Korean child has greatly bettered his living conditions. Other sports such as soccer, golf, and tennis are also part of the club's activities. Under the direction of Mrs. Elwell, the organization helps create an atmosphere of sportsmanship and self-satisfaction.

The office assistants have proven to be invaluable in helping Mrs. Workman with her daily office duties. These girls are: Pat Davis, Secretary Mrs. Workman, Mary Lou Johnson, June Davis, Sherri York, Linda LaMar, Karen Gray, Margaret Bowman.

Student Assistants Learn While Helping

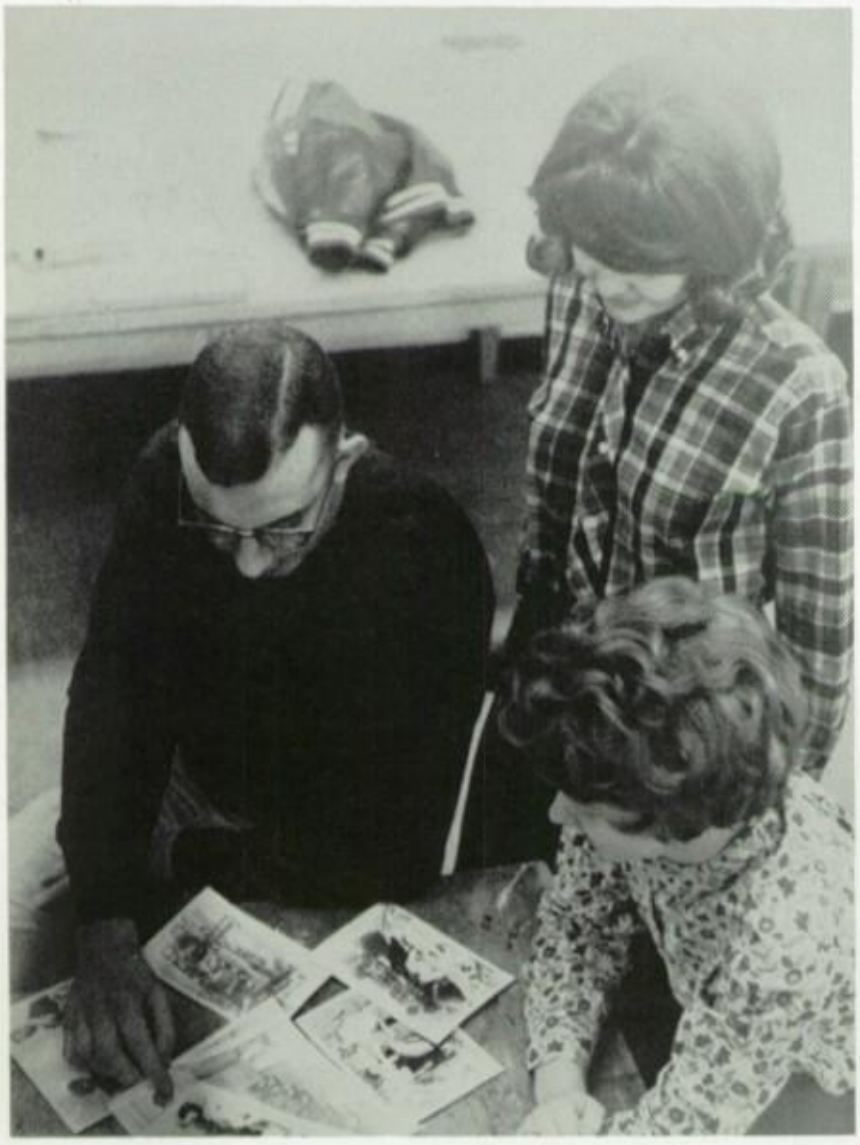
Mrs. Gray, the librarian has adequate assistance from several hard working students, among these: Bonnie Taber, Bill Kidder, Lynda Overbey, Vicki Werking, Alice Hartman, Penny Meyer, Mrs. Gray, Caselia De-Armond, Linda Ellis, and Melanie Snyder.

Epitome Staff Records Memories of School Year

Linda Hays, Editor, heads the neatly arranged table, surrounded by the editors of the various sections beginning their work.

Sponsor Mr. Barnhart directs Rowena Miller, Editor, and Debbie Drake in preparing a layout for the Student Life Section.

The activities staff selects pictures. They are Roger Lumpkin, Pat Davis, Editor, and Janet Bond.



The Peoples staff work to meet the coming deadline. They are: Lowella Gray, Bill Kidder, Becky Bane, Editor, and Nancy Williams.

The 1965 sales staff set a new sales record this year—500 copies! Along with Bill Stratton, Sales Editor; Jim Doerstler, Roger Lumpkin, Pam Werking, Cheryl Clevenger, and Donna Rusterholz canvassed the school and the town to moke this possible.

The classes staff concentrate as their section is prepared. They are: Ted Montgomery and Tom Allen.

Student photographer Mark McKinnon spends another day printing pictures for the classes staff.

The Sub-editors: Pat Davis, Bill Stratton, Becky Bane, Kit Harris, Ted Montgomery, Rowena Miller, Mark McKinnon, and Rex Jarrett, confer with Editor-in-chief Linda Hays over a selection of pictures.

Pictured here after winning the 1965 Sectional Basketball Tournament is the varsity basketball team and cheerleaders of 1964-65. *First row:* Cheryl Clevenger, Patti Fisher, Shelia Lakes, Kit Harris, Roberta Bertram. *Second row:* Marv Cole, Roger Lumpkin, Bill Stratton, Dave Davis, Dave Scarrette. *Third row:* Bill Kidder, student manager; Chuck Blackburn, coach; Hube Lakes, Bob Reynolds (behind Lakes), Dave Thalls, Dick Murray, Cliff Bailey, Bob Nichols, assistant coach.

Although the varsity won only six games and looked rather cool all season, they came through when it counted.

At the Invitational Tourney we were definitely rated the underdog but by trying hard we became the champs for the third straight year. This is something no other school has been able to do.

When Sectional rolled around we were given a 50-50 chance of beating Lewisville in our first game and no chance of beating Richmond. Friday night we beat Lewisville by a slim three points and Saturday afternoon we surprised almost everyone with a fantastic 13 point victory over Richmond. Saturday evening we became Sectional champs by defeating Williamsburg.

Afterwards there was a celebration in town with everyone shouting our well-earned slogan—"WE TRY HARDER."

"Did I hear you say that you were going to walk to Toledo."

STUDENT LIFE

"In a Little Spanish Town"

"In a Little Spanish Town" closed out our junior year with all of the fun and excitement that any Prom provides. Dancing in a colorful Spanish atmosphere undoubtedly made May 15 the gayest night of the year. The climax of the evening came when Roger Lumpkin and Cheryl Clevenger were crowned king and queen of the 1964 Prom. We are sure that this night will long be remembered by everyone who attended and will provide them with many happy memories in the years to come.

The night of the Prom isn't the only thing that will be remembered.

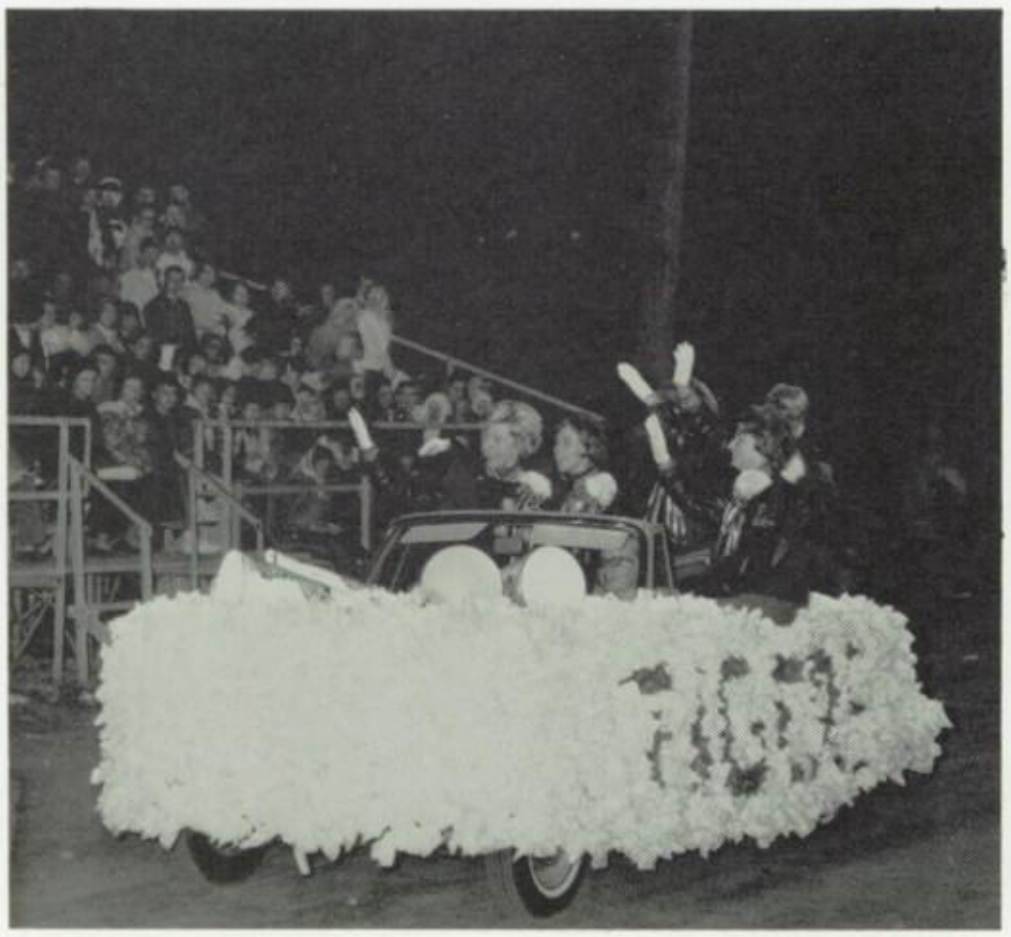
The long nights of working together proved to be a worthwhile experience full of fun and frolic.

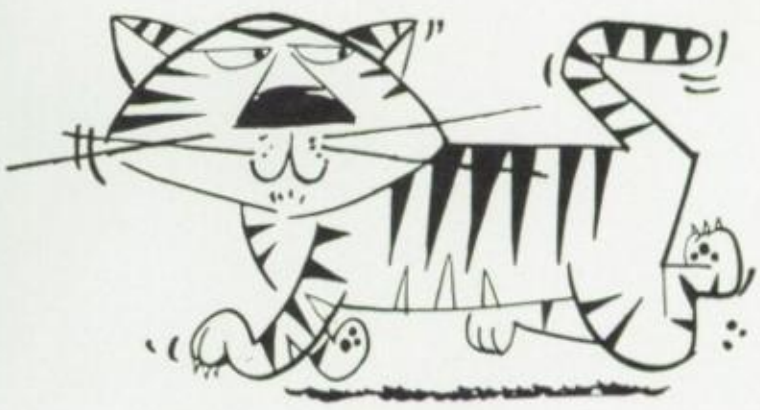
Seniors Place First

Homecoming was a colorful and exciting event. Floats were entered by the four high school grades and various school organizations. The theme of this year's Homecoming was "War Slogans—Past and Present." Seniors took first place in the float contest with their theme "Unconditional Surrender." "Don't Tackle Till You See the Whites of Their Eyes" was the theme successfully carried out by the sophomores who took second place. The Art Club, using the theme "The Team That Launched a Thousand Hearts" took third place in the contest.

at Homecoming

Reigning over the 1964 Homecoming was Senior, Becky Bane. She was crowned at half time by football captains Marv Cole, Roger Lumpkin, and Bill Stratton. Also riding in the parade were our five cheerleaders who show their enthusiasm as they wave to the crowd.





Homecoming Queen Becky Bane and her charming court Kathy Wall, Linda Brown, and Susan Werner are shown here after the queen coronation at halftime.

Linda Brown, Kathy Skinner, Cheryl Clevenger, and Karen Bane added a spark of beauty to the J. C. Relay Track Meet over which they reigned.

School Elections

JOHNSON and HUMPHREY

School Returns	328
National Returns	39,688,467

GOLDWATER and MILLER

School Returns	211
National Returns	25,008,511

Every four years the senior government classes hold a mock election. The entire student body feels this is a valuable and worthwhile experience that will help them to understand the procedures of voting. Campaigning began several weeks before the election and the day prior to the election students and faculty registered in their respective precincts.

The same day a spirited rally was held in the gymnasium with buttons, posters, Goldwater soft drinks, and Johnson bubble gum everywhere. John Ellis gave a campaign speech for the Democrats and Mark McKinnon for the Republicans. For the first time in the history of the school, the voting went straight Democratic, except for two local offices.

Hobo Day, Prove Fun

Recognize these well-dressed hobos?

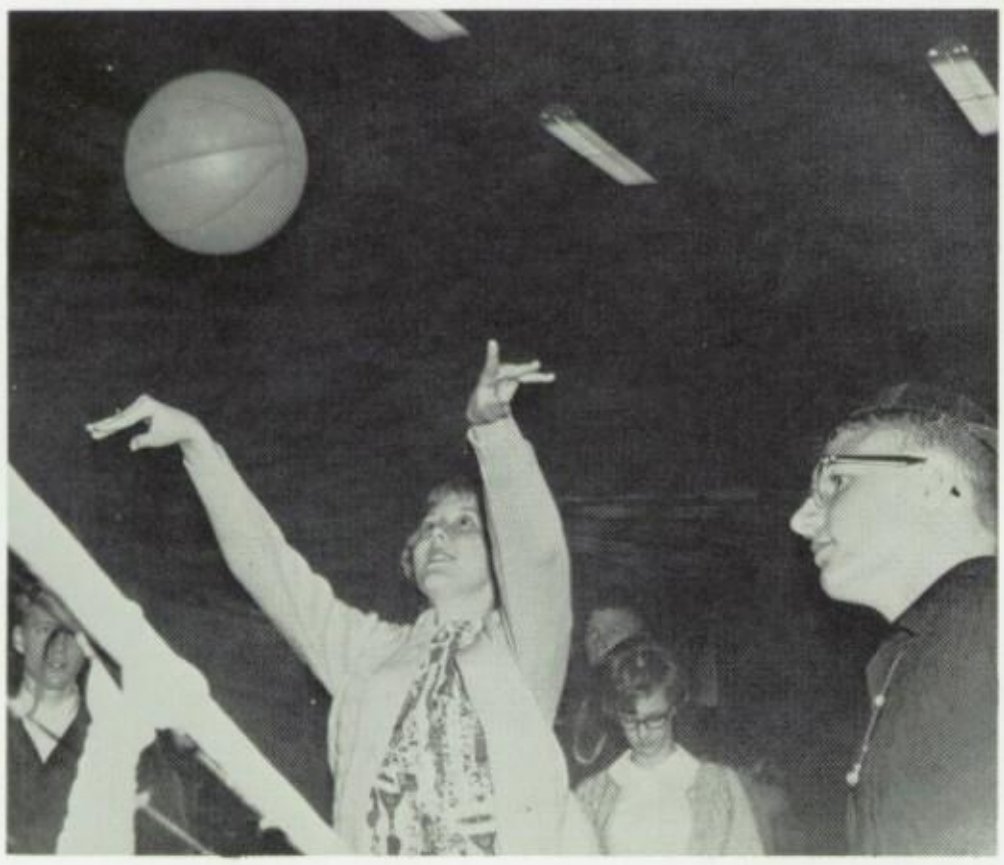
Sheriff Marv Cole and his deputies prepare for another Friday night overflow.

A new attraction at the carnival this year was the duck toss. Ward Stout seems to be enjoying his job!

Again this year the seniors sponsored a Hobo Day for the entire student body and faculty. By purchasing a 5c ticket, everyone was allowed to come to school dressed in the latest hobo fashions. Many teachers found it hard to claim some of their students, but we all think it was the teachers who were hard to identify!

Senior Carnival for Everyone

He flies through the air with the greatest of ease . . . .



Basketball player, Hubert Lakes, seems to be unimpressed by Jennifer Myers new throwing technique.

The same evening the seniors held their annual Senior Carnival. This is an evening filled with fun and food for young and old alike. The carnival is the main money making project for the seniors and our thanks goes to all who helped to make it such a pleasant evening.

"Brigadoon"

The curtain comes up! The show has begun!

Playing the lead parts were Becky Stone and Mark McKinnon.

The band and choir presented their first Broadway musical to the entire community this year. The school is certainly proud of the excellent performances given by the cast and appreciate the fine job done by the directors, Mr. Hoon and Mr. Smith. "Brigadoon" is a small town in Scotland that only comes to life one day every hundred years. The story centers around this one day.

Charles Craig sings "I'll Go Home With Bonnie Jean."

Senior Carnival King and Queen

Pictured here after the Senior Carnival are Lee Strahota and Mary Gail Humphrey, who were crowned King and Queen at the close of the fun-filled evening.

"Christmas Ball"

The Y-Teens Christmas Ball proved to be one of the biggest highlights of the Christmas Season. Guests enjoyed dancing to the beat of the "Humbugs"—even barefoot. Eh, Kathy?

To climax the evening, Kathy Skinner was crowned Y-Teen Princess of the Ball. Kathy and court composed of Linda Hays, Kathy Wood, Rowena Miller, and Pat Davis are pictured here with their escorts.

Mrs. Hawley!
You one of my best teacher
that I had through my years
at H.H.S. from the freshman biology class
to the advanced biology class. It has been
a pleasure to be under you as a student.
Thanks for you understanding that you
gave me, the last year at H.H.S.
Oh! I won't forget the chick embryos, pigs
fruitflies that we had in advance biology class.

Mrs. Hawley,

It certainly was a pleasure being in your class. I think, that is I know I learned more in it than I did in any other science class at N.H.S. Thank you.
